

Our Botswana Butchery Sydney Wine List has been carefully curated to showcase the quality and breadth of wine that Australia and New Zealand produces. You'll also find a selection of wines from classical wine producing regions around the world.

The majority of wines on our list come from either organic or biodynamic farming principles which complement the fresh and seasonal food our menu has to offer.

We hope you enjoy the list and aren't afraid to step outside the box with your selection. If you have any questions do not hesitate to ask our knowledgeable staff.
